About Us

The Art of Kick Boxing For Self-Defense

At Clement Martial Arts, we provide self-defense kickboxing classes tailored for ages 5-18, with exceptions for young children who demonstrate focus. Our classes build full-body strength and conditioning through targeted exercises for the upper body, lower body, and core. By focusing on key concepts, stability and balance, crucial for a strong defense, the equilibrium not only enhances self-defense capabilities but also improves performance in other physical activities. Our approach ensures students develop the skills and confidence needed to effectively self-defence and overall physical well-being.

Kids Self Defence Kick Boxing Classes

We believe that strong self-discipline and self-esteem are essential for protecting children from potential dangers. By introducing kickboxing, children become less vulnerable to threats. At Clement Martial Arts, nurturing genuine self-esteem is our specialty. Our approach starts from within and radiates outward, ensuring our students are not only physically prepared but also mentally and emotionally resilient.

Through diligent practice, our classes instill intuitive self-defense, helping our students feel secure and confident even in the face of adversity. Our mission is to promote physical self-defense, followed by Controlled Offense, ensuring our students are fully equipped to handle any challenge.

Team

OUR TRAINER

With over 20 years of experience in Martial Arts and Security, I specialize in Thai Boxing, Boxing and Jiu Jitsu. I operated "Western Sovereign" as a leading security company in Downtown Auckland for 15 years, endorsed by Senior Sergeant John Potts. My team secured 14 significant and numerous bars across Auckland and beyond.

I started my Thai Boxing journey at Masters Presley Gym in 1995, training alongside Roger (Dink) Egan and later (Super Samson) Mark. Though I had 16 amateur fights, my focus remained on my security business.

From 2007 to 2021, I lived in Rastanga, Cook Islands, where I founded the "Skavens Gym". I trained people in resistance training, Muay Thai, and self-defense there. The gym was the largest in Rastanga, continues to operate, promoting self-defense through Muay Thai Boxing.

I teach self-defense following to children, teens, and adults at the Kuma Gym. My program, Clement Martial Arts, fosters self-esteem, confidence, and discipline, helping students of all ages thrive.
